

Roda Resort gets some Services..... At Last!!

Commencing from early 2011, Roda Facilities Management SL (RodaFM) will open their new office at the resort entrance, providing an improved property management service to clients old and new, together with many new services not previously available on the resort.

From the new office RodaFM is intending to create a 'one stop shop' for any requirements of property owners, holiday or long term renters with facilities for:-

- Internet Access
- Scanning, Copying and Faxing Services
- Mobility Equipment Hire
- Bike Hire
- Sightseeing Trips
- Building Services
- Property Maintenance
- Holiday Accommodation
- Long Term Accommodation
- Property Sales
- Golf Breaks
- Resort Information

Having everything available under one roof will ease the stress for owners and create a more enjoyable experience for guests, at this great resort.

Check out www.rodafm.com for more information, telephone (0034) 634 313 587 or call in and see us.

Rodafm.....working harder so you don't have to!
